

STT PRODUCT LINE CARD

SYSTEMS

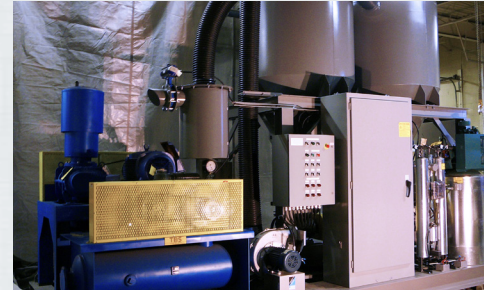

BULK DRY CHEMICAL STORAGE & MIXING SYSTEMS

Lime Products, Soda Ash, PAC, & Others

LIME SLAKING UNITS

Detention, Vertical Ball Mill & Batch Slakers

PNEUMATIC CONVEYING SYSTEMS

Vacuum or Pressure

OFFLOAD & STORAGE SILOS

Railcar, Offload, Storage Silos & Truck

SYSTEM INSTALLATION

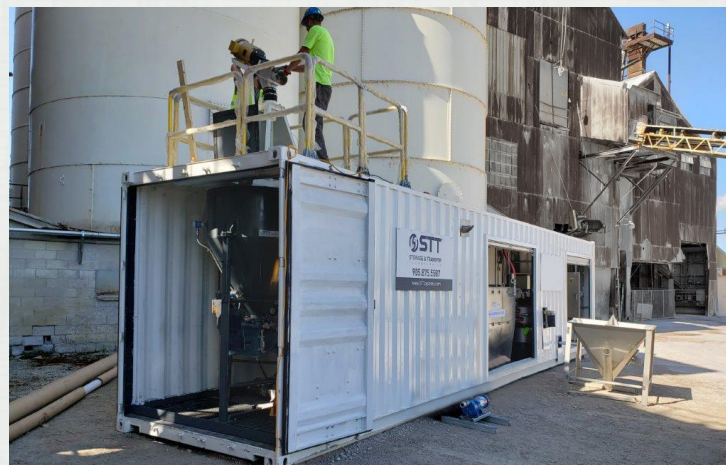

Complete Turnkey Solution Approach

MOBILE

MOBILE LIME SLURRY - STORAGE

Turnkey Solution for Lime Slurry Storage

MOBILE LIME SLURRY - PRODUCTION

Fully Autonomous Slaking Solution

SYSTEM RETROFITS & UPGRADES

Improving / Expanding Capacity

SYSTEM OPTIMIZATION SERVICE (S.O.S.)

Chemical Usage Efficiency

MECHANICAL AUDIT & SYSTEM REVIEW (MASR)

Assessing Mechanical Integrity & Reliability

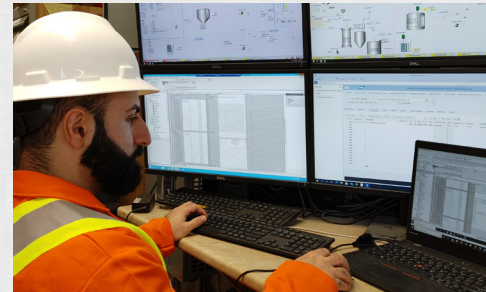

PARTS & COMPONENTS

Large Inventory for System Support

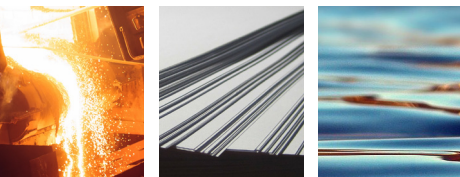

APPLIED CARE SYSTEMS

Service, Training & Optimization Program

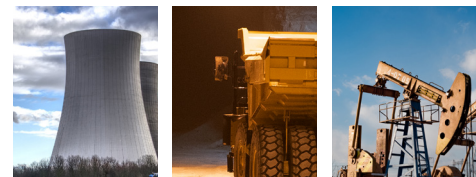

AUTOMATION & CONTROLS

Industry 4.0 Ready - Migration & Modernization Solutions

WE DESIGN TO MEET CUSTOMER NEEDS ACROSS MARKETS

MINING | CHEMICAL | OIL & GAS | STEEL | PAPER | POWER | MUNICIPAL WATER & WASTEWATER

For over 50 years, STT has been designing & installing lime slaking & bulk material handling systems. What makes STT different is our diverse experience in many applications, industries & chemicals, along with the ability to support systems from concept through to decommissioning, & everything in between.
